

Continuation of Substance of Interview including description of the general nature of what was discussed: Called applicant's representative and asked to (a) amend claims 3, 11 and 12, to avoid possible antecedent basis objections and (b) to amend claims 3 to incorporate limitation of claim 6 and respectively amend claims 11 and 12, to place the application in condition of allowance as the argument that the combination of prior arts does not disclose the limitation "the inorganic filler with a particle size greater than one-half the height of said electrode", found persuasive. Applicant's representative gave authorization to amend the application by examiners amendment. .
